Updated January 3, 2022

After many years of service, we are shutting down the DWRFinancials@det13.com mailbox. It is old technology and keeps crashing. We want to find better ways to serve the Bar and we found it with bkdocs.us (fka: www.13Documents.com). This service is like those used by chapter 7 trustees.

Please visit bkdocs.us now to sign up for this new and free service. It is ready and waiting for your use now. Directions (a user guide) are available at their website, or contact Rich@det13.com with your questions.

Here are a few things you need to know:

- The old DWRFinancials@det13.com mailbox will no longer function after November 30, 2021.
- bkdocs.us is open for your business now. Please start using it now.
- The other Chapter 13 Trustees in the District are also planning to use 13Documents too, so your new knowledge (and account) will apply to other Trustees.
- Our other general email boxes such as ruskin.orders@det13.com and ruskin.stips@det13.com will continue to operate, even after November 30th.
- Please sign up for 13Documents and start using it now (did I say that already?).

Thank you.
